The Derry, Ashton Keynes, Swindon, Wilts

Rob Thomson (Lea Cottage) & Mike Simpson (Stonelea Cottage) do not have access to the internet and therefore unable to comment using the form on the Neighbourhood Plan website.

Their comments are as follows:

***We signed approval of the proposed neighbourhood plan believing that any development should take place on Brownfield sites first, and that developers should not be allowed to pick and choose the fields in and around the village.***

***If a sizeable number of residents support the plan, that should count with the planning authorities.***

***Unfortunately, the word is 'should', not 'will'. Ashton Keynes will only lose character by this new developers proposal, building up traffic on our narrow old roads and filling in the sense of space.***

***Keep on shouting!! Developers only want prime sites.***

***If our neighbourhood plan - chosen by residents doesn't count now, it won't in the future - at all.***

***Kind Regards,***
