I am leaving this comment on behalf of

Sylvia Fletcher  
15 Eastfield, Ashton Keynes, Wiltshire, SN6 6PR.  
Telephone No. 01285 861755

She is an elderly lady and is unable to access / use the internet comment form on the Neighbourhood Plan website.

Her comments are as follows:

***I agree with the neighbourhood plan. Development should only be undertaken on small sites within the existing village footprint.***

***I am concerned with the proposed development plans for Dairy Field.  
I do not think this is appropriate because:***

- ***It will increase traffic in the village. This will be unsafe for drivers and children.***
- ***The Site access on the B4696 is a blind corner and very dangerous.***
- ***This development will result in the loss of an important open space within the village.***
- ***This village is lovely as it is.***
- ***There is not the amenities available in the village to deal with a large increase in population***
- ***The village will not become a better place through large scale development.***

***Kind Regards,***

***Sylvia Fletcher  
c/o Mike Smith***
