Subject: opposition to proposed development North of Gosditch

To whom it may concern,

I would like to make my opposition known toward the proposed residential development in the fields north of Gosditch.

As an Ashton Keynes resident I strongly oppose the development of greenfield sites such as this, particularly when there are clearly more suitable sites that fit within the Neighbourhood plan.

Losing this well used greenfield site will have a huge detrimental effect on the village and will serve as a catalyst to lose other green spaces.

Kind regards
