I am leaving this comment on behalf of

Barbara and Charles are elderly members of the village and do not have access to the internet and therefore unable to comment using the form on the Neighbourhood Plan website.

Their comments are as follows:

We support the neighbourhood plan as it is.

We object to the development at Dairy Fields for the following reasons:

The development at Dairy fields is a terrible idea.

We have lived for 48 years in the village.

We are concerned about the loss of public footpaths across a beautiful open space.

This is a rural village, not a town.

There will be a big increase in traffic in the village.

There is a dangerous turning on to the B4696

Kind Regards,
